**To navigate the Main menu**

Use **VOL+/-** to select an option from the list.

Press File manager 📋 to open/set the option.

Press Reverse ⏯ to exit an option.
LCD

There are two options under LCD that can be adjusted. Use \texttt{VOL +/−} to select the option to adjust and press File manager \texttt{📖} to open/adjust the setting.

CONTRAST

This option allows you to set the contrast on the HENDRICKSON \textit{my-iBible} screen.

Use Reverse \texttt{◀} and Forward \texttt{▶} to adjust the slider bar and press File manager \texttt{📖} to set it. Set the contrast on the highest setting (all the way to the right) to maximize readability.

BACKLIGHT

This option allows you to choose how long the HENDRICKSON \textit{my-iBible} display will remain on while the audio is playing.

Use Reverse \texttt{◀} and Forward \texttt{▶} to adjust the slider bar and press File manager \texttt{📖} to set it. For maximum battery life, choose the 5-second setting.

\textbf{NOTE}: If the audio is not playing, the HENDRICKSON \textit{my-iBible} will turn off after a few seconds no matter what setting is chosen here.
EQUALIZER

The Equalizer option is for optimizing the audio output for different styles of music (Normal, Pop, Rock, Classical, Jazz, Soft, DBB). Since the Hendrickson my-iBible is narration only, without any music, the recommended setting is Normal.

REPEAT

This option specifies that chapters, books, or the entire Bible be played repeatedly. See "To repeat whole chapters or books," page 8, for a description of this setting.

LANGUAGE

The options for this setting are English, Chinese (Trad), Chinese (Simp), Spanish.

Use VOL +/- to switch between languages and press File manager to open it.

⚠️ NOTE: If language is changed from English, ALL references on the HENDRICKSON my-iBible will change to the new language. It can, therefore, be difficult to change this setting back.
\section*{NOTE:} This Language setting only applies to the menu system. All audio will still play in English.

\section*{POWER OFF}

This option allows you to choose how long the device will remain on while the audio is playing. Use Forward \textit{\textLt{3}} and Reverse \textit{\textLt{2}} to adjust the settings. The settings are:

- 0: device will continue playing until the battery charge is depleted.
- 10: device will shut off after 10 minutes.
- 20: device will shut off after 20 minutes.
- 30: device will shut off after 30 minutes.
- 40: device will shut off after 40 minutes.
- 50: device will shut off after 50 minutes.
- 60: device will shut off after 60 minutes.

\section*{NOTE:} If the audio is not playing, the \textit{HENDRICKSON my-iBible} will turn off after a few seconds no matter what setting is chosen here.
Firmware Version

This option displays which version of the HENDRICKSON my-iBible software is used on your device. Press File manager to access this information.

Exit

This exits you from the System Settings screen and returns you back to the audio. You can also exit the System Settings screen at any time by pressing Reverse .
